

PADI Rebreather and Tec CCR Qualifying Certifications from other Organisations

 		<p>This chart may be used to find the qualifying PADI Rebreather or Tec CCR certifications when crossing over from another training organisation. Look for the organisation and the level of your current certification and you will find the corresponding PADI Rebreather or Tec CCR course.</p>										
		x	This means your current certification may qualify you to enroll in the next higher level PADI Rebreather or Tec CCR course (After usual pre-assessment).									
		(+)	This means that there are additional requirements that must be met. Please contact your PADI Office for clarification.									
		(*)	This means you will need to contact your PADI Office to confirm that the unit used for training is listed in the PADI register.
